Alphabet Letter Formation

Every letter from A to Z, big and small, with numbered start dots and arrows that show where to begin and which way to go.

Inside

- 26 letter pages after this cover, one letter per page, capital and small letter
- Each row: a dark model, three dotted traces and a dashed one, green start dots, then space to write alone
- A short word for every letter to trace
- US Letter paper (an A4 version is in the kit too)
